# Certificate

for offsetting greenhouse gas emissions

University of Vienna  
has offset **14,770 kg**  
of CO<sub>2</sub> greenhouse gases on Jun 14, 2024.

## What does your climate protection contribution accomplish?

With your climate protection contribution with the amount of 443.00 Euro, you are supporting the following projects, among others:

**Efficient stove systems for families in Nigeria**

Your climate protection contribution pays for 6 stove systems. These save about 80 % of energy.

**Electricity generation from mustard seed crop residues in India**

Your contribution provides 18 households with one year of renewable electricity.

**Construction of biogas units for households in Kenya**

Your climate protection contribution finances the construction of 1 biogasdomes.

Since 01.01.2021, atmosfair implemented the authorization of projects according to the new framework of the Paris Agreement. The projects listed here have already received approval from the host countries (incl. so-called Corresponding Adjustments) or use CO<sub>2</sub> reductions from before the above reference date in order to avoid double counting.

United Nations  
Framework Convention  
Climate Change
